

# The Kopernik Astronomical Society

## The Universe's Splendor is Within Your Reach

The KAS is always interested in getting new members of all levels of background and interest in Astronomy! We believe in letting members pursue their interest in Astronomy at whatever level they would like. We have members who are "Beginners", "Celestial Gazers", "Astro Photographers", "Theory People" or "Experienced Observational Astronomers"

*There's So Much to See In the Dark! Will You Join Us?*
